What is our process on items in Probate?

Evaluation and immediate pricing of Gold Jewellery, Bars, and Coins. We offer formal probate documents that specify the carat and weight and precious metal content in gold coins, bars, jewellery, scrap jewellery, and gold and silver bullion. Our valuations are based on the daily AM price of gold as set by the London Bullion Market Association (LBMA).

Probate Documents in Line with HMRC Requirements:

We can provide you with formal documents that ensure all probate requirements meet HMRC standards for a seamless process.

Asset Valuation

Expert valuations with practices verified by trading standard and state of the art testing facilities.
